BRIDGE PROGRAM

Final Examinations

Date: 02/03/2022

LAURUS geared up to conduct Offline Exams in the month of March for Grades 6-10. Students were prepared to write Pen-and-Paper Exams. Few offline classes have been conducted before the Final Examination to make them comfortable attending Physical Examination and to avoid the psychological stress among the students as they scarcely attended physical classes in two years. The Pre-Primary and Primary students have attended Final Exams online.

Cambridge ELT

Date: 17/03/2022, 19/03/2022

Cambridge English Qualifications are in-depth exams that make learning English enjoyable, effective and rewarding. The exam has been administered by Cambridge University Faculty at our School Campus. The students of Grades 3 to 8, have confidently attended these Exams.

TEACHER TRAINING PROGRAM

Date: 22/3/2022

Efficient, accurate and effective teaching pedagogy is the core pillar to make the student learning more lively and long lasting. Here is why teacher training program is vital in the school calendar. During the Short Vacation of the School and before the Academic Session started, Teacher Training Program has been scheduled and still continuing now after half-day sessions. This program helps teachers to adapt innovative teaching methods, strengthen student engagement and subject comprehension which help teachers hand hold students to transit from online to offline/ physical classes and make them active participants in the subject content through various activities.

The Parent-Teacher Meeting was held on 26th March, 2022 for Grades PP1-Grade 5 (Online) and Grades 6-10 (Offline), to discuss the performance of students with their parents.

The main purpose of meeting was to create a common platform, where teacher and parents come together to enrich the student's educational experiences.

It was a great interaction between the teachers and the parents.

The PTM came to an end with the conclusion that the performance of the students depends on the joint effort of parents and teachers.

Graduation Day

Date: 26/3/2022

The Ground of LAURUS The Universal School was bubbling with excitement that had a hint of sadness to it, as we celebrated Graduation Day for our Grade 10 students in the evening of Saturday, 26th March, 2022. To kick things off, our Director, congratulated the students and delivered an astounding speech challenging students to aim for more in life. The parents joined our celebrations, the event started with Prayer, Pledge and National Song. Then, our Principal took the

stage and gave an amazing motivational speech that encouraged the graduates-to-be to never settle for less and to keep striving for success.

The process of felicitation began, with each student receiving a token of love and appreciation. Next, it was time for the guest of honours, students of Grade 10, to take the stage. They reminisced on their memories of the greatest years they spent in school!

This story of taking a stroll down memory lane and each student was lost in the memories of the time spent here.

It was during this time when everyone was in an emotional turmoil. There were group pictures taken with the Students, Teachers, Principal and Director. The parents were given opportunity to take pictures along with

their children dressed in Graduation Gowns. The event was wrapped up with vote of thanks and the students were dispersed. We are extremely proud of all our students and are sure they will reach great heights of success and make the LAURUS tag proud!

First day of school

Date: 28/3/2022

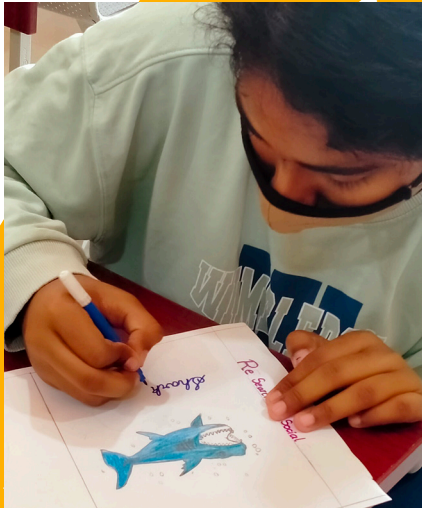

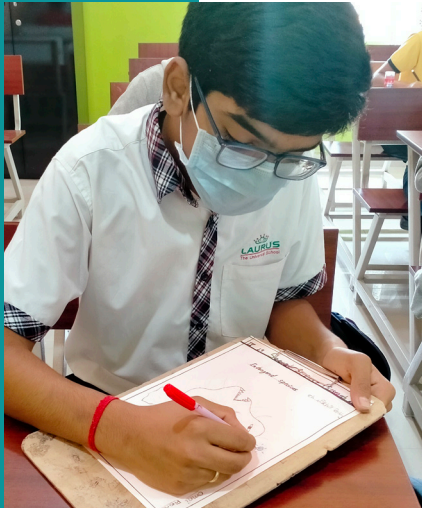

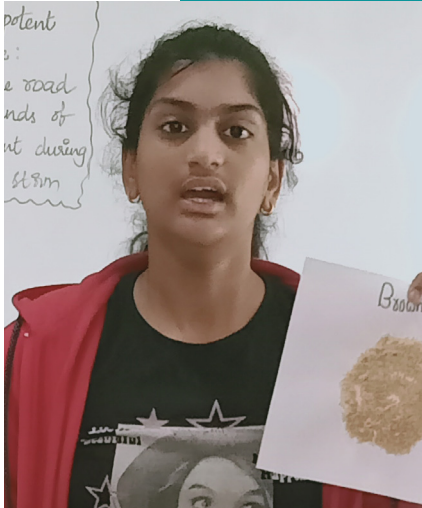

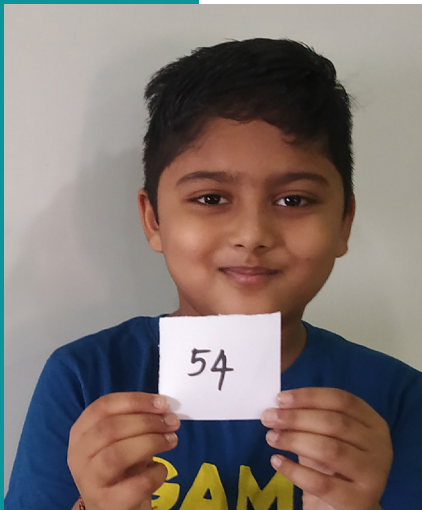

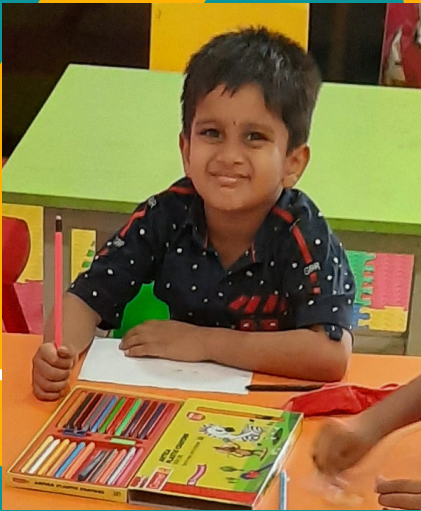

What is it like to meet their classmates for the first time, after almost two Academic Years Online?

This March, the start of the school year seemed more overwhelming than ever before. One could observe the mixed feelings of excitement, joy, and confusion among the students, parents, and teachers.

Early morning on the first day of school, students began gathering in the Campus of LAURUS The Universal School. While it is not mandatory for the students to wear masks, many of them — including the youngest among them — were voluntarily covering their faces. This was not done solely for the purpose of hygienic protection, but also to demonstrate students' awareness about COVID-19. After the many weeks of distance learning, which was challenging for children, parents, and teachers alike, the willingness to go back to normal learning processes is now demonstrably high; everyone displays a readiness to comply with the new safety regulations set by the government.

Each grade students emphasized how important it is to be physically present in the classroom, to interact with friends, and to share opinions about different subjects with each other and with their teachers.

Bridge Program

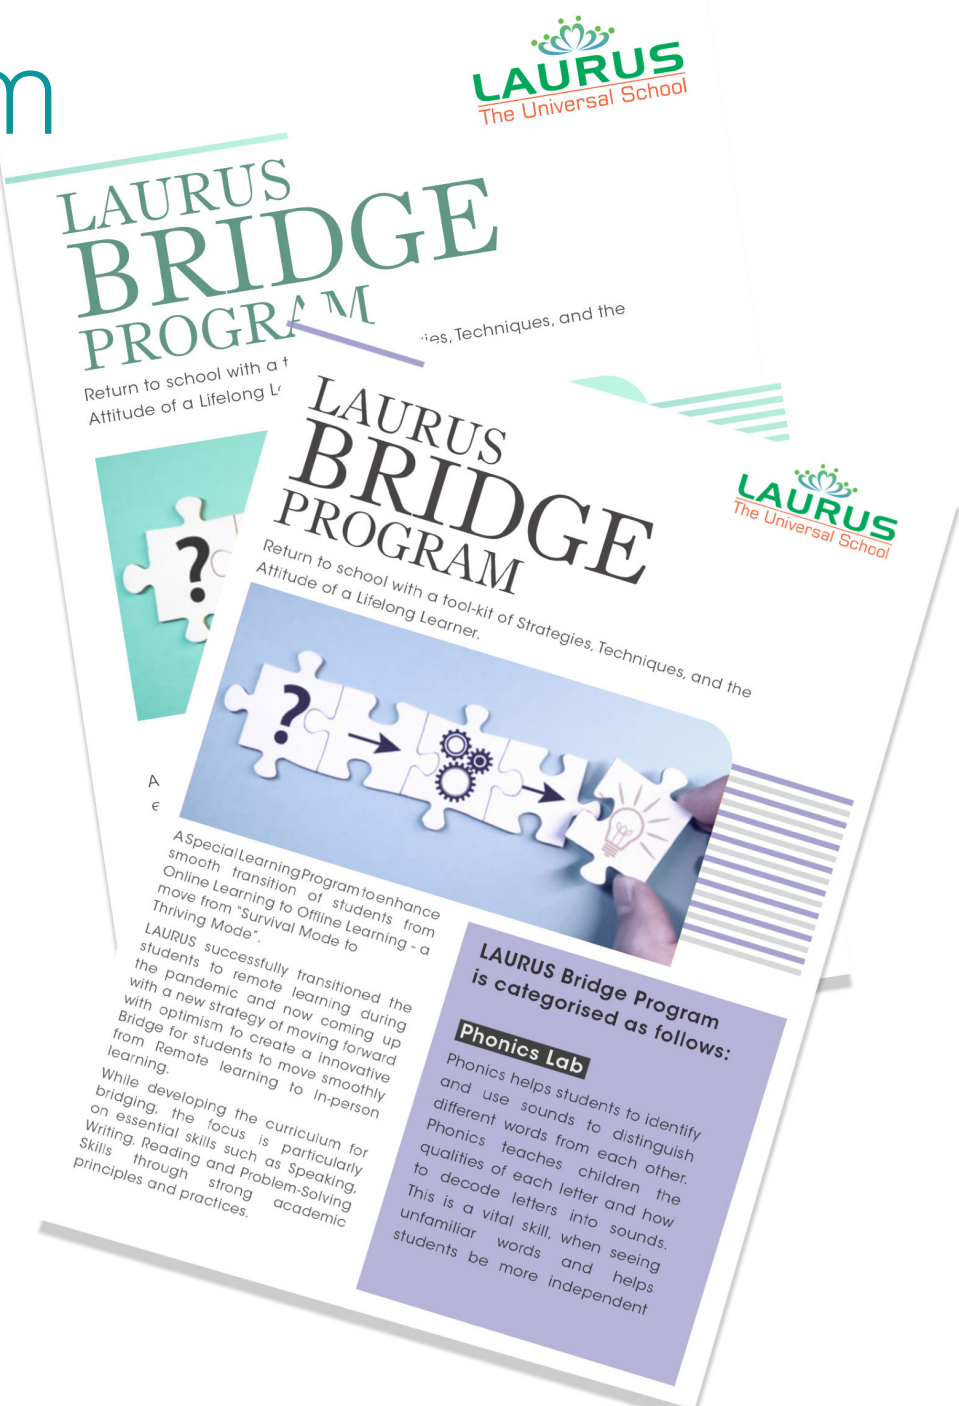

Date: 28/3/2022

A Special Learning Program to enhance smooth transition of students from Online Learning to Offline Learning - a move from "Survival Mode to Thriving Mode.

LAURUS successfully transitioned the students to remote learning during the pandemic and now coming up with a new strategy of moving forward with optimism to create an innovative Bridge for students to move smoothly from Remote learning to In-person learning.

While developing the curriculum for bridging, the focus is particularly on essential skills such as Speaking, Writing, Reading and Problem-Solving Skills through strong academic principles and practices.

We will share the students' learning experiences of the Bridge Program next month.

Bus Transportation

Date: 28/3/2022

At LAURUS, we have ensured our students travel safely and are in their best spirits by the time they enter the campus. Bus Transport facility also gives a chance for the children to socialize and enrich the bonding between them.
