LAURUS
The Universal School

1 FIRST DAY OF SCHOOL

13th June 2022

The beginning of a new session is always an auspicious time - a time for new hopes and renewed dreams. After the Summer Vacation, it was the time for students to enter the school with new energy and fresh new vibes. Excitement and enthusiasm were at high among the students where there was an eagerness to meet the friends as well as admission to the new level.

Classroom Activities

FROM THE PRINCIPAL DESK —

To all you parents, "A big thank you for your patience and support over the last Academic Session. We have had our challenges and triumphs, but through it all, we continued persevering with Rigor, Relevance, and Relationships —

the backbone of what makes LAURUS The Universal School- a truly remarkable school.”

A special thank you goes out to all the parents who placed absolute trust in us by sending your children to school every day. I am so grateful and blessed to be associated with the amazing parents and students here at LUS.

As Principal, I am thankful for the LUS Staff who has worked so hard to encourage and support the teaching and learning

out of the classroom, especially our hard working and compassionate faculty and staff members who have made a huge difference in our students’ lives.

As we welcome 2022-2023 Academic Year, I am filled with Hope and Gratitude for the months ahead of us. Hope of a new dawn which brings more opportunities for accomplishments and reasons to celebrate those accomplishments. I remain in the attitude of gratitude and thank the Lord Almighty for keeping us protected, safe, and healthy.

2

BACK TO SCHOOL

21st June 2022

Start with few important documents with various guidelines have been shared with parents. Request you all to read them carefully and be informed to have a better Academic Yearly experience.

It has always been in the forefront to ensure the best for the students. The foremost priority in this hour of crisis is to provide a holistic approach to health and well-being of our students, by keeping a healthy balance of mind and body. Yoga, being a catalyst to mental well-being embodies the unity of mind and body. In the pursuit of the same, on International Yoga Day, the students of Grades 1 to 10 participated in Yoga sessions in the school ground on 21st June 2022. The day was celebrated by the students with great enthusiasm and vigour. The students demonstrated various asanas. Warm up exercises were done and all the students performed sitting and standing asanas. The students were encouraged to practice regular yoga to remain fit and improve concentration as they showcased a very energetic and spirited performance!

Blue colour was introduced in Playgroup section on Thursday, 23rd June 2022. The class was decorated with blue colour objects like Balloons, Balls, Toys, Doraemon, Ribbons etc.

On 'Blue Day' all the Pre-Primary Students and the Teachers came dressed in blue. Teacher narrated the story of blue colour with the help of slides emphasising on the colour "Blue".

The activity was further enhanced with the help of various games, videos and singing Rhymes.

The day was basically celebrated to introduce them and help the students learn the colour blue which all enjoyed.

5 CLASS ASSEMBLY

LUS Assemblies provide a fun way for students to learn in a large group setting. For these gatherings, a host of special activities have been planned as per the Monthly Themes. The choice of activities varies widely, depending on the grade level.

Grade 10 students performed a Role Play on "Success" on 15th June, 2022. This play reveals that students want to become strong candidates for careers in their chosen fields, emerge as competent and trustworthy adults, look back on their time

without regrets, and make their mentors and family members proud.

Grade 9 students performed a Role Play on "Road Maps to Future" on 22nd June, 2022. Today's 21st century education presents unique challenges and opportunities to students, and this is a trailblazing practical guide to making sure education is ready for the future. This play helped them to understand to set their focus on their interests and aptitude and have an individual future plan for their career.

Such plays help students to develop communication and presentation skills and boost up their confidence.

6 'VIRTUAL PARENTS' ORIENTATION PROGRAM

25th and 27th June, 2022

The foundation for good parent teacher relationship is, frequent and open communication, mutual respect and a clear understanding of what is best for each individual child."

Keeping this in mind, LAURUS The Universal School, organised Virtual Parents'

Orientation Programme 2022-23 for the Grades 1 to 10 parents on 25/6/2022 and for Pre-Primary parents on 27/6/2022 with a goal to ensure a positive atmosphere for learning as well as building up the healthy relationship between the parents, teachers and students.

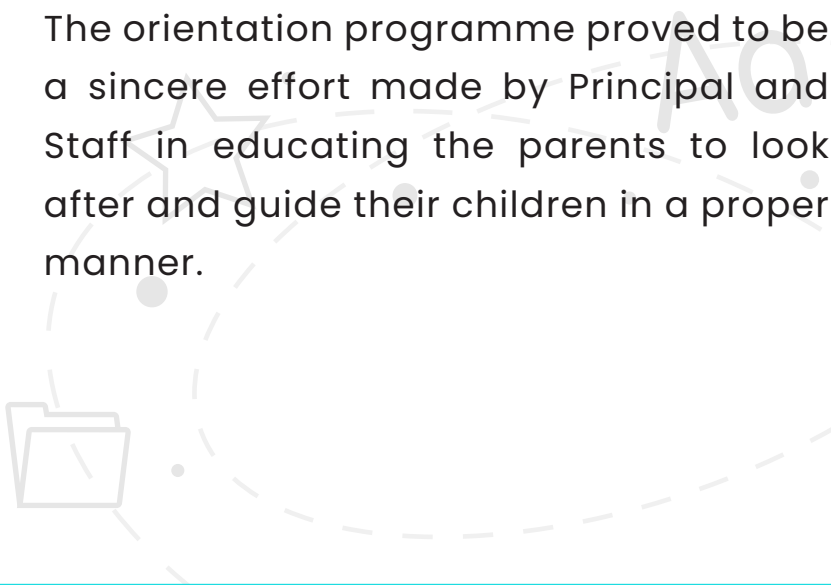

Principal Ms. Vijaya Lakshmi enlightened the gathering by her inspirational speech and emphasized on the strong connect between the school and the parents. She familiarized the parents with the curriculum, rules and regulations of the school, teaching methodologies and the co-scholastic, extra-curricular activities. The Parents were given an insight of in person teaching system, achievements and activities at LUS through a PowerPoint presentation.

She also emphasized on giving a disciplined environment, opportunities, and responsibilities to children so that

they can deal the situation in a positive manner. She urged the parents to work with the child and be role model for their kids. The parents were satisfied and appreciated the valuable tips of the speaker.

The orientation programme proved to be a sincere effort made by Principal and Staff in educating the parents to look after and guide their children in a proper manner.

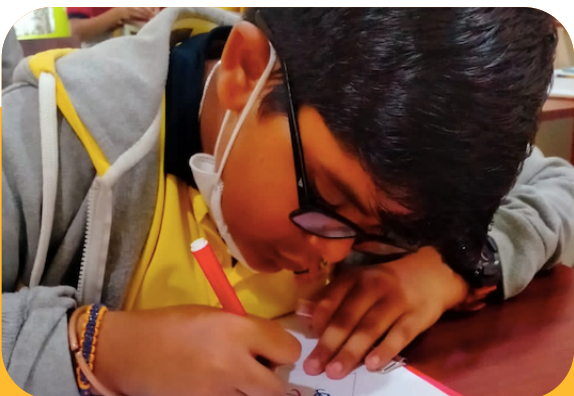

7 CLASSROOM ACTIVITIES

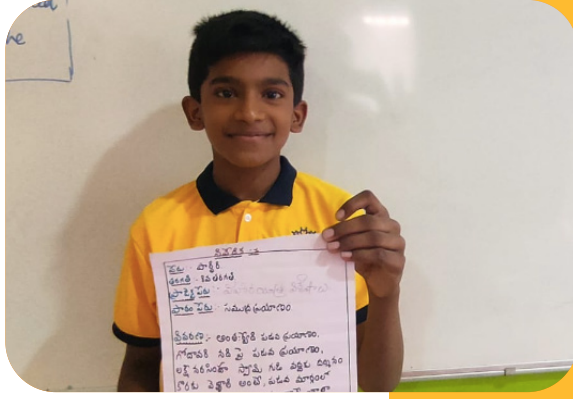

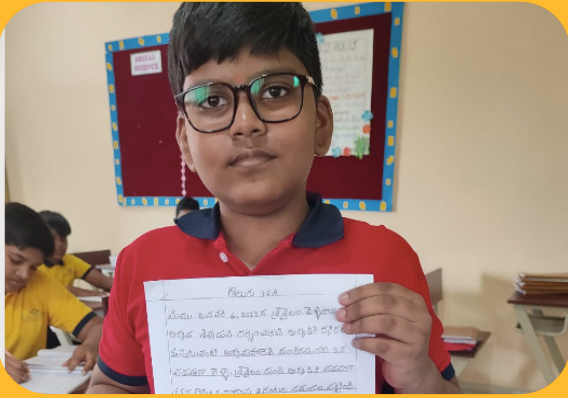

LUS follows Activity Based Learning. These classroom activities are done by students inside the class as part of applying or doing the practical part of the lesson after listening to the theoretical part which is presented by the teacher.

These are wide range of skill-based games, strategies and interactive activities that support students' educational development.

The goal of all activities done at LUS is to enhance students' understanding, skill or effectiveness in a specific area by engaging multiple styles of learning. School activities also serve to infuse fun into learning as well as bolster student confidence and the ability to think critically.
