INVESTITURE CEREMONY

20/7/2022

LUS motto is to create leaders of tomorrow and there is a special ceremony that turns it into reality. For us, Investiture Ceremony is not just about providing titles, but about conferring responsibilities on the students, to take charge of the school and take it to the height they desire with their leadership and decision-making skills, communication and teamwork.

At this ceremony, a school prefectorial board is formed after scrutinous interviewing and selection which gives them a feel of functioning of an official administrative body. The selected students are honoured with their respective badges such as Head Girl, Head Boy, Sports Captain & Vice-Captain, Knights Captain & Vice-Captain and Spartans Captain & Vice-Captain. The student council members took an oath to faithfully work for the school. Our Director, P. Gopal Krishna and Principal, Ms Vijaya Lakshmi, encouraged them to put in honest efforts for every endeavour and become an inspiration for others.

SUBJECT ENRICHMENT ACTIVITIES

Every subject has its own intrinsic pedagogy that must be employed by teachers to help students acquire the relevant knowledge. This will develop in students, an appreciation of what different subjects have in common, and also how they are distinctive. With the appropriate subject enrichment activities, teachers engaged and encouraged students to think like historians, mathematicians or scientists.

CO-CURRICULAR & EXTRA-CURRICULAR ACTIVITIES

A core component of holistic education is the Extra-Curricular and Co-Curricular activities that shape the development of students. They are instrumental in honing the talents and developing social skills, critical thinking and teamwork.

Our school has an array of ECA and CCA activities for the benefit of our students. It is mandatory for our students to participate and enjoy learning through these activities.

"If death strikes before I prove my blood, I swear, I will kill death" — Captain Manoj Kumar Pandey, Param Veer Chakra Kargil War, 1999.

Every year on July 26 the Nation celebrates Kargil Vijay Diwas. Nineteen years ago, it was on this day that the war sparked by secret Pakistani incursion into India came to a conclusion with the intruders being soundly defeated. Kargil Vijay Diwas is named after India's Kargil war operation: "Operation Vijay".

To give tribute to the armed forces of India and remembering their sacrifices for the country, LUS showed documentary on Kargil Victory Day to the students of all grades. It is a story set against a fictionalized backdrop of the 1999 Kargil War. It was played on the smart boards. The students enjoyed watching it with their peer group. They were very excited to know more about it.
